

Pietermaritzburg Fellowship Residents Association

To whom it may concern,

The Pietermaritzburg Fellowship Residents Association (PFRA) is a private, non-profit, home for the aged which is over 100 years old. In 2001 it was inherited by NCF Church and has been functioning as a registered NPO for many years (NPO Number: 002-378). The home is situated at the top of Loop Street in Pietermaritzburg in a very fitting, old, Maritzburg, brick face building and has been home to many elderly people over the years.

PFRA is home to up to 18 elderly men and women at a time. Many of our residents have few or no relatives left in South Africa and are unable to afford a premium old age home. It is our aim to provide for and love the old people who come through our home as though they are part of our own family. We believe that each of these men and women deserve to be treasured in the last years of their lives and we have made it our goal to ensure that they are part of a community that values, respects, and cares for them.

We would like to extend an invite to anyone who would like to be an active part of our little community. Whether you would like to come and spend some time getting to know our residents or serve them in another way- your presence would be felt and you would certainly make an impact in their lives. Our elderly residents enjoy the classes, bible studies and other entertainment organised for them, and we encourage you to come and share your gifts, talents, and hobbies with them.

We are sure that you will enjoy their company just as much as they'll enjoy yours!
